

Airclos S55 MO

Vertical section

Dimensions in mm

Raised bottom track

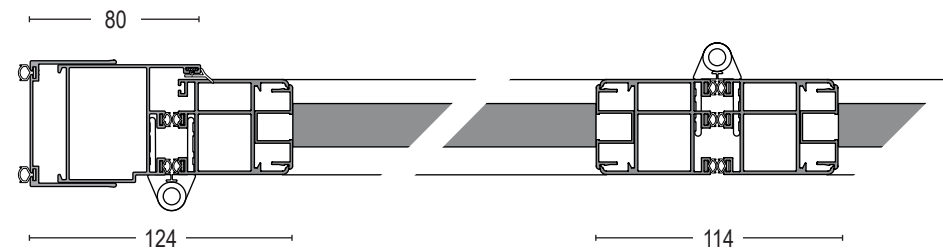

Recessed bottom track

*Dimensions are valid, except for misprints

Features

- Serie 55 specially designed for the installation of glazing with an interior Venetian blind; double weathertight gasket. Allows for the creation of curved systems.
- Leaves can open inwards or outwards, and can also incorporate one or more mid rails.
- Series with optional flush-mounted or surface-mounted bottom track.
- Includes U-shaped compensation profile to correct minor misalignments.
- Optional incorporation of standard handles, business-type handles or three-point bolt locks.
- Accessories are available in white, black and on demand, in the same colours as the profiles.
- Series in epoxy polyester powder coated in any of 210 shades included in the classic RAL colour range, anodised or decorated with a wood-grain effect.
